

CENTRE FOR RENEWABLE AND SUSTAINABLE ENERGY STUDIES

DISCUSSION FORUM

Renewable and Sustainable Energy

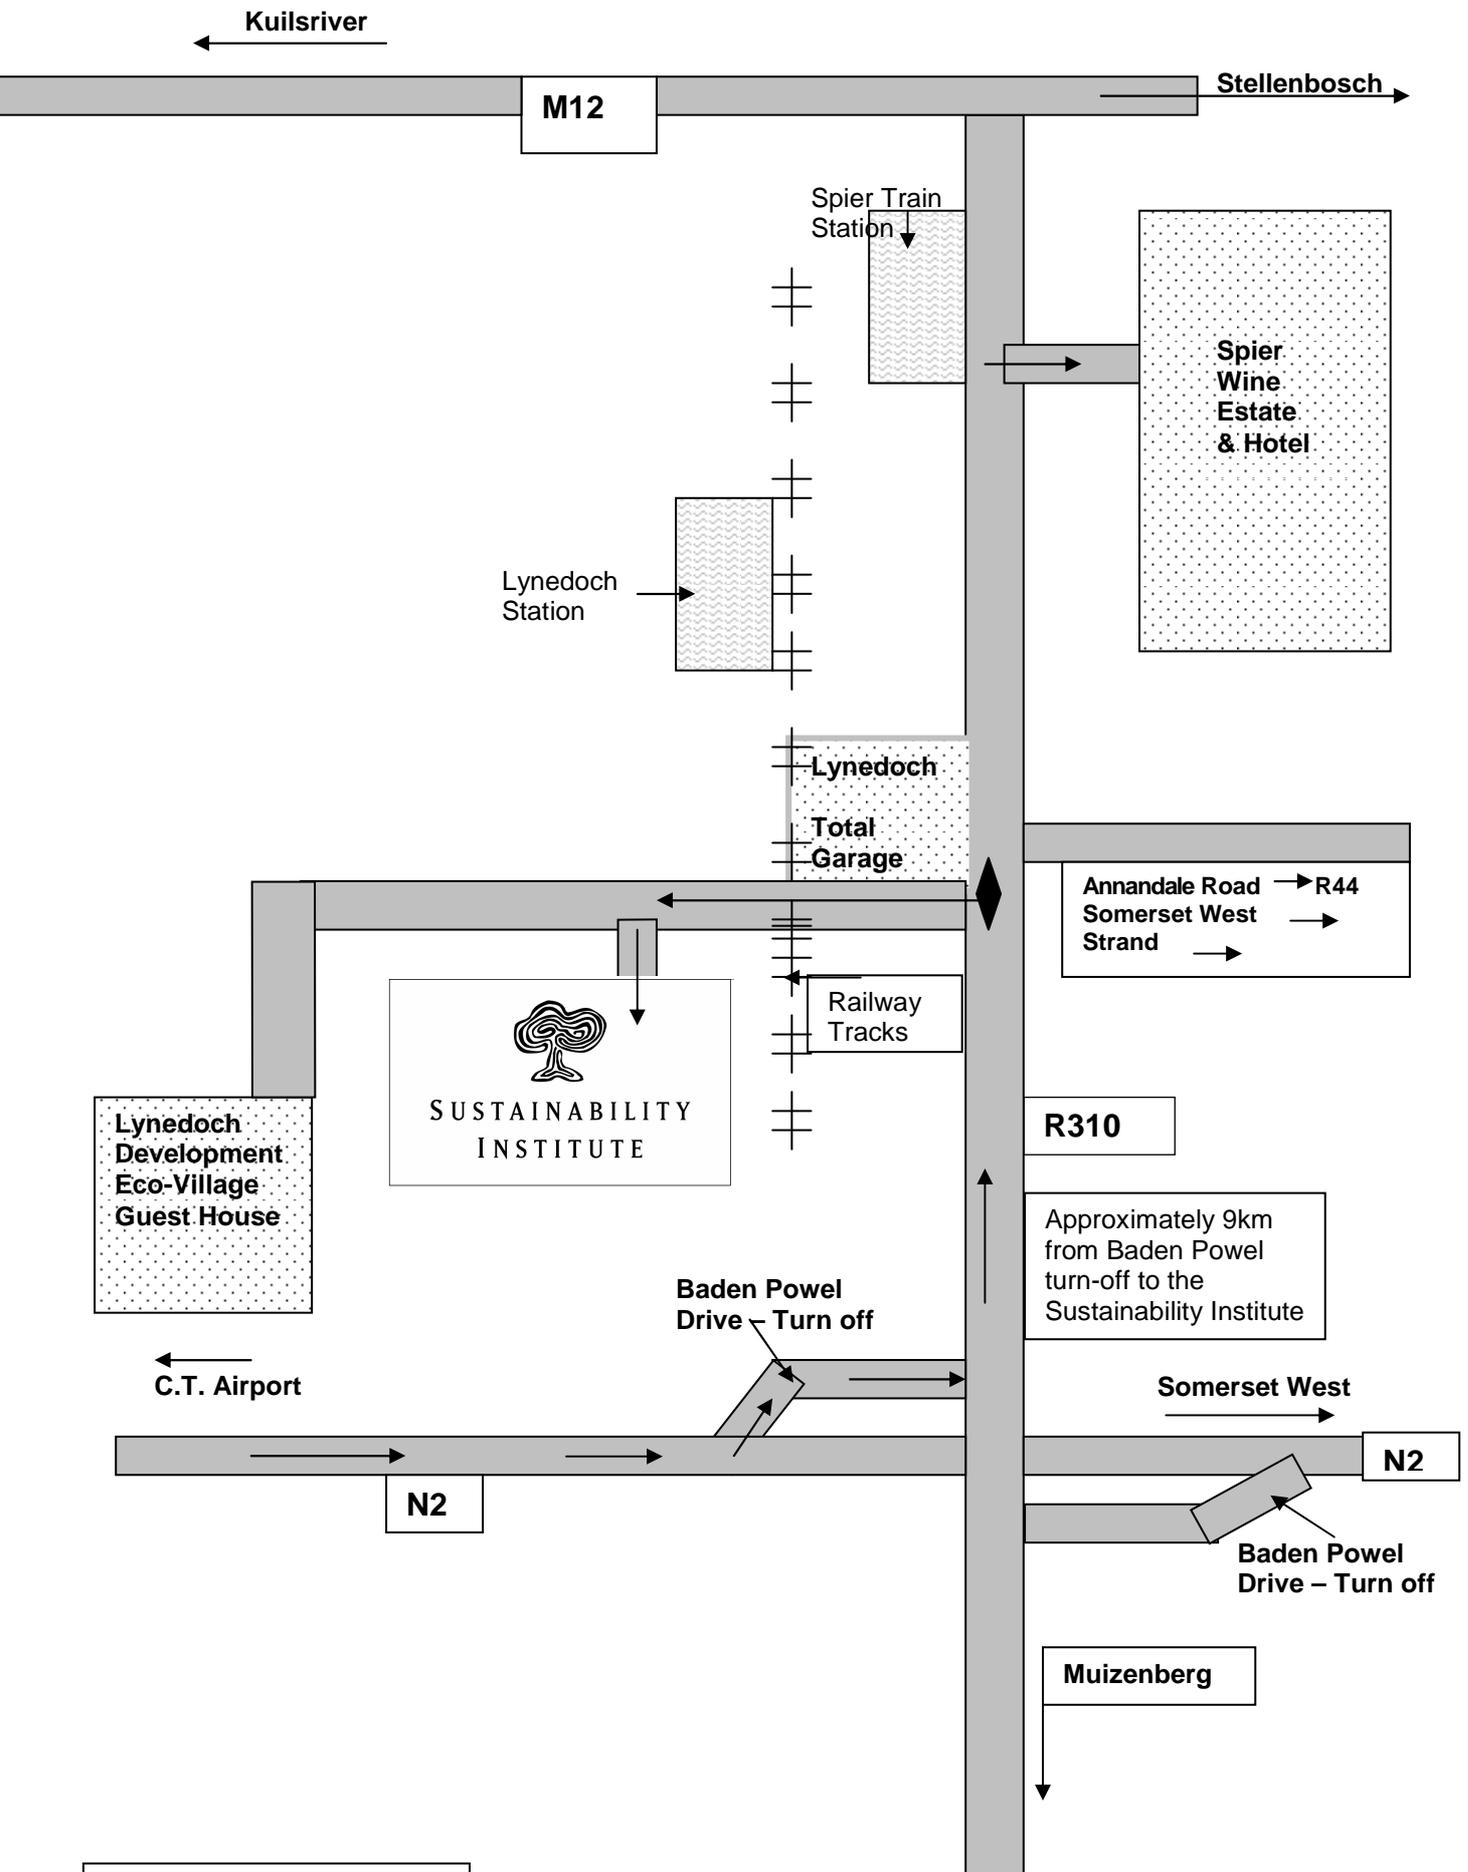

Hydrogen Economy

The next Discussion Forum on **Hydrogen Economy** will be held on **Friday 9 November 2007 at 15h00** at the Sustainability Institute at Lynedoch on the R310, Baden Powel Drive. Dr Boni Mehlomakulu, Group Executive Department of Science and Technology & Prof Nico Louw, retired Professor Chemical Engineering, will introduce the topic where after an open discussion will follow on the question of the Hydrogen Economy. Dr Mehlomakulu will give a talk on the government's strategy to promote the creation of a hydrogen economy, and Prof Louw will provide input on the status of cutting edge research in South Africa.

All academic staff and students, representatives from the public and private sectors as well as the general public are welcome to attend.
There will be a small reception afterwards.
